DIRECTIVE ON IMPROVING WORKING CONDITIONS IN PLATFORM WORK

ACTIONABLE STEPS FOR MANAGERS

This directive carries profound implications for managers in platform-based businesses.

1. COMPREHENSIVE TRAINING

Equip managers and their teams with a thorough understanding of the directive's requirements.

Revamp recruitment, payroll, and worker management systems to align with employee classification norms.

2. PROCESS REDESIGN

3. STAKEHOLDER COLLABORATION

Work closely with HR, legal, and technology teams to develop compliant operational frameworks.

Establish clear channels for explaining policies, decisions, and rights.

4. TRANSPARENT COMMUNICATION
